

## Types of GSBS Faculty Appointments

<b>Category</b>	<b>Requirement/ Description</b>	<b>Privileges</b>	<b>Application requirement</b>	<b>Term of appointment</b>
Regular*	Primary faculty appointment at UTHealth, MD Anderson Cancer Center, or Texas A&M IBT	Full	Must complete application form and be approved by the Membership Committee	5 years with reappointment review every five years**
Associate	Primary faculty appointment at UTHealth, MD Anderson Cancer Center, or Texas A&M IBT	Full except may not supervise Ph.D. students or offer tutorial rotations	Must complete application form and be approved by the Membership Committee	5 years with reappointment review every five years**
Non-Member Faculty	Individual is outside the GSBS Faculty – usually has faculty appointment at another educational institution	Serves on student committees, upon request and/or lectures in GSBS courses	No application required – biographical sketch must be approved by the Academic Standards Committee for faculty to serve on student committees	As long as individual serves on GSBS student committee(s) or Semester in which the course is taught

\*A Regular member is expected to have an active, independent research program, peer-reviewed research support appropriate for the faculty member's discipline, and have a tenure-track faculty position. The funding requirement may be waived for the initial appointment of beginning Assistant Professors if start-up funds are available, but reappointment to the Faculty will require independent, peer-reviewed support.

\*\*In addition to the 5-year reappointment review, all faculty who've been members for more than three years are reviewed annually to ensure that they are actively involved in GSBS educational activities
