

**Graduate School of Biomedical Sciences**

**NIH NRSA Institutional Research Training Grant (T32) Data Table Checklist – GSBS**

This guide is intended to identify how the GSBS may assist in completing Training Grant (T32) Data Tables.

**Please specify which data tables you require assistance with by completing the [Training Grant Intent to Apply survey](#).**

The linked Forms should be consulted for exact instructions and formatting.

Training Grant Tables (Forms I)	
<a href="#">Data Tables: FORMS-I   Grants &amp; Funding</a>	
<i>NRSA Training-Grant Eligible (TGE) = US citizen or permanent resident</i> <i>TG: Training Grant</i>	
<b>Table 1</b>	<b>Census of Participating Departments or Interdepartmental Programs</b>
<i>Rationale: Insight into the environment in which the proposed training program will take place. Allows reviewers to assess the pool of trainees and faculty.</i>	
<ul style="list-style-type: none"> <li>• Part I. Predoctorates                             <ul style="list-style-type: none"> <li>○ Breaks down by Department the number of GSBS faculty and students</li> <li>○ GSBS maintains an up-to-date list of for all Departments that have GSBS faculty members                                     <ul style="list-style-type: none"> <li>▪ A list of faculty and programs will be sent to TG team.</li> </ul> </li> <li>○ Identification of students by program and supported by HHS Training Awards                                     <ul style="list-style-type: none"> <li>▪ GSBS maintains a list of F/T awards for current students that can be provided upon request for selected programs.</li> <li>▪ Student counts for both total students in programs and award support will be filtered by faculty and program selection requests for training grants and returned in Table 1 format.</li> </ul> </li> </ul> </li> <li>• Part II. Postdoctorates                             <ul style="list-style-type: none"> <li>○ The GSBS does not maintain information on post-doctoral trainees.</li> <li>○</li> </ul> </li> </ul>	
<b>Table 2</b>	<b>Participating Faculty Members</b>
<i>Rationale: Allows reviewers to assess faculty distribution by rank, research interest, department, program, and institution.</i>	
<ul style="list-style-type: none"> <li>• GSBS will provide the TG team with a current list of all GSBS faculty</li> <li>• GSBS generates list with Faculty information: Primary Dept/Program, Credentials, and Title</li> <li>• TG team/Applicant completes                             <ul style="list-style-type: none"> <li>○ # of predoctorates/# of graduate</li> <li>○ Faculty rank and additional information</li> <li>○ Faculty research interest</li> <li>○ Training role</li> <li>○ Predoctorates continued in research or related careers</li> </ul> </li> </ul>	
<b>Table 3</b>	<b>Federal Organizational Research Training Grants and Related Support Available to</b>

	<b>Participating Faculty Members</b>
<i>Rationale: Illustrates strength of environment; justifies requested number of trainees</i>	
<ul style="list-style-type: none"> <li>GSBS maintains a list of all training grants available to UHealth and MD Anderson trainees in Table 3 format. This list is updated yearly at the start of the Academic Year.</li> <li>GSBS will update and provide a master list of federally funded TGs to TG team to identify any potential overlap.</li> </ul>	
<b>Table 4</b>	<b>Research Support of Participating Faculty Members</b>
<i>Rationale: Illustrates funds to support trainee research and appropriateness of faculty participation</i>	
<ul style="list-style-type: none"> <li>GSBS does not maintain information for Table 4.</li> </ul>	
<b>Table 5A</b>	<b>Publications of Trainees Supported by this Program: Predoctoral</b>
<i>Rationale: Illustrates trainee productivity &amp; faculty facilitation of trainee success rate</i>	
<ul style="list-style-type: none"> <li>This table should go back 5 years for new applications for trainees that WOULD have been TGE.</li> <li>GSBS may provide TG Team with current trainees for each faculty member</li> <li>Previous trainees should be confirmed with faculty members, and can be checked with GSBS records.</li> <li>Publication data should be gathered by the TG Team/Applicant from faculty/students.</li> </ul>	
<b>Table 6A</b>	<b>Training Program Candidates, Entrants, and their Characteristics for the Past Five Years: Predoctoral</b>
<i>Rationale: Permits evaluation of ability of participating departments/programs to recruit trainees</i>	
<ul style="list-style-type: none"> <li>Part I: Counts <ul style="list-style-type: none"> <li>Completed by GSBS each academic year; we are an umbrella admissions school so all applicants are combined into one pool</li> <li>GSBS will send completed table to TG team/Applicant</li> </ul> </li> </ul>	
<b>Table 7</b>	<b>Appointments to the Training Grant for Each Year of the Current Project Period</b>
<i>Rationale: Permits evaluation of the use of awarded training positions by year</i>	
<ul style="list-style-type: none"> <li>The GSBS does not complete data for Table 7</li> </ul>	
<b>Table 8A</b>	<b>Program Outcomes: Predoctoral</b>
<i>Rationale: Illustrates the effectiveness of the proposed training plan</i>	
<ul style="list-style-type: none"> <li>Part I: Those Appointed to the Training Grant <ul style="list-style-type: none"> <li>Not applicable to new applications</li> </ul> </li> <li>Part II: Those Clearly Associated with the Training Grant <ul style="list-style-type: none"> <li>Not applicable to new applications</li> </ul> </li> <li>Part III: Recent Graduates <ul style="list-style-type: none"> <li>This section includes ALL trainees who graduated from GSBS within the last 5 years who would have been eligible for appointment to the Training Grant if it had existed at the time.</li> <li>GSBS will provide a list of graduates from participating faculty including; <ul style="list-style-type: none"> <li>Start Date</li> <li>Degree received and Year</li> <li>Dissertation/Research Project Topic</li> </ul> </li> <li>Subsequent Grants(s) information can be received via NIH Reporter</li> </ul> </li> </ul>
