

Cancer Biology Program

Virtual Travel Award Application

GUIDELINES & ELEGIBILITY

Cancer Biology Virtual Travel awards are up to \$150.00 each. Each student can only receive one virtual award per academic year. Cancer Biology students presenting results virtually at a national or international meeting, or virtually attending a relevant course are eligible to apply. All applications will be reviewed by the Cancer Biology Steering Committee and decided as they are received on a first come, first-serve basis. Please make sure to submit your application at least 3 weeks before the travel will occur to allow review by the Steering committee.

PURPOSE

The purpose of the Cancer Biology virtual travel award is to help defray your expenses of the registration fee to attend a virtual meeting or course. The name of your advisor's administrative assistant is requested so that they will be notified to apply the correct amount toward your meeting or course registration expenses.

INSTRUCTIONS

Please submit these items via email in a single PDF to Amy Carter: Amy.E.Carter@uth.tmc.edu

- This completed form signed by you and your advisor.
- Copy of your meeting registration form or course registration form.
- Copy of your abstract and abstract acceptance, if virtually presenting at a meeting. If you have not received your abstract acceptance, or course acceptance, please list an approximate acceptance date below. The award will be contingent upon such acceptance.

Your Name

Your Advisor's Name

Your Email Address

Meeting/Course Name

Meeting/Course Dates

Registration Cost

Will you present a poster, give a talk or virtually attend a course? **Poster** **Talk** **Course**
