GSBS CAREER DEVELOPMENT SERIES

Seminar:
Research Careers in Germany followed by a Networking Event

Tuesday, Feb. 13, 2018
4 - 6 pm
GSBS Large Classroom, BSRB S3.8371

At the heart of Europe, Germany is one of the best destinations for cutting-edge scientific research. Why not consider a research stay in Germany to start your own independent research group at one of country’s leading universities or research institutions, or engage in research cooperation with Germany?

At this event you will learn about funding opportunities and special programs to foster independent research careers in Germany. This information session will be followed by a networking reception.

Refreshments will be provided.
