Outcomes Assessment and Tasks

Use the definitions and boxes below to identify the results you expect to produce with your course.

- **Outcome:** Visible and measurable skills that students will do or demonstrate in order to show evidence of understanding
- **Evidence of Learning:** Through what evidence will students demonstrate achievement of the desired results?
- **Tasks:** Through what authentic performance tasks will students demonstrate the desired learning?
- **How will the students build the knowledge to understand how to do the task? How will the tasks be presented to the students?**

The students will be able to:

Evidence of Learning:

Tasks:

How will the students build the knowledge to understand how to do the task? How will the tasks be presented to the students?
