Motivation and Drive <ul style="list-style-type: none">• Takes ownership of project• Reads relevant literature		
Collaboration <ul style="list-style-type: none">• Communicates with others• Works cooperatively with others• Seeks out guidance		

Please provide constructive comments for the student:

Scoring and Criteria for Evaluation

Score	Level	Criteria
1	Poor	Fails to demonstrate competency or does so inconsistently. May not comprehend its importance.
2	Developing	Adequately demonstrates competency with understanding of need for improvement.
3	Good	Consistently demonstrates the competency with occasional guidance.
4	Outstanding	Independently demonstrates the competency and has clear understanding of its importance.
