

Genetics & Epigenetics Program Travel Award Application

GUIDELINES & ELEGIBILITY

G&E travel awards are \$500.00 each. G&E students are eligible for one travel award per 12-month academic year period. G&E students presenting results at a national or international meeting, or attending an intensive short course, are eligible to apply. All applications will be reviewed and decided as they are received.

PURPOSE

The purpose of the G&E travel award is to help defray your expenses to attend a meeting or course. The name of your advisor's administrative assistant is requested so that they can be notified to apply the \$500.00 toward your meeting or course expenses.
