

Genetics & Epigenetics Program

Virtual Meeting Registration Award Application

GUIDELINES & ELIGIBILITY

G&E virtual meeting registration awards are \$200.00. G&E students are eligible for one such award per 12-month period. This award will have no impact on a student's eligibility to apply for a regular G&E travel award, in the same 12-month period, once pandemic travel restrictions are lifted.

G&E students presenting results at a regional, national or international meeting are eligible to apply. All applications will be reviewed and decided as they are received.

PURPOSE

The purpose of the G&E travel award is to help defray your expenses to attend a virtual meeting during the Covid-19 pandemic. The name of your advisor's administrative assistant is requested so that they can be notified to apply the award toward your meeting registration fee.

INSTRUCTIONS
