

Immunology Program Travel Award Application

PURPOSE

Each year the GSBS Immunology Program provides funding to help students defray the costs of attending scientific meetings or courses. Students who are successfully awarded will receive \$750 in travel funding. Only one student from each laboratory will be accepted for a travel award per year per the respective PI's discretion if more than one student from one laboratory is eligible.

GUIDELINES & ELIGIBILITY

Immunology Travel awards are \$750.00 each. Each student can receive only one award per academic year. Immunology students presenting results at a national or international meeting, or attending a course, are eligible to apply. All applications will be reviewed by the Immunology Program Directors. Students will be notified of their award status within two weeks of application submission.
