Moderator: Medina Colic [2020-2021 K-Fel]
- 11:00 am *Failure is an Opportunity*
Guillermina Lozano, PhD, Chair & Professor, Genetics, MD Anderson
- 11:30 am 2020 Kopchick Research Award Presentation
Actin Tyrosine Phosphorylation as a Novel Regulator of PI3K Signaling
Amelie Albrecht, PhD (Advisor: Xuetong Snow Shen, PhD)
- 12:00 noon Lunch – Join the K-Fels for interactive virtual competitions during the break!
- 1:15 pm Faculty Panel Discussion
**Francesca Cole Bergemann, PhD, Associate Professor, Epigenetics & Molecular
Carcinogenesis, MD Anderson**
Georgios Karras, PhD, Assistant Professor, Genetics, MD Anderson
Amina Qutub, PhD, Associate Professor, Bioengineering, The University of Texas at San Antonio
Moderator: Brigid McDonald [2020-2021 K-Fel]
- 2:15 pm *Academia to Failing Forward into Industry*
Jaymie Estrella, PhD, Global Marketing Director, Merck & Company
- 2:45 pm 2021 Kopchick Research Awardees' Recognition
*The Role of the Paraventricular Hypothalamus in Rhythmic Mediation
of Feeding and Metabolism*
Rachel Van Drunen, PhD Candidate (Advisor: Kristin Eckel-Mahan, PhD)

Dr. John J. Kopchick Research Symposium

Failure and Perseverance in Science

3:00 pm **KEYNOTE**

*Dancing Lessons, A Marching Band and a Trip to the Desert:
The Path to an Ebola Vaccine and Novel Technology Aimed to Break the Cold Chain*

MARIA A. CROYLE, RPh, PhD

Glaxo Wellcome Endowed Professor of Pharmaceutics,
The University of Texas at Austin - College of Pharmacy

4:00 pm Closing Remarks

Tristen Tellman, Dean Blackburn, Dr. & Mrs. Kopchick

Our deepest appreciation to Dr. and Mrs. Kopchick for their generosity!
