Secondary Application Essays
Please complete all four essay prompts below. A completed secondary is required to be considered for an interview. Your application will not be evaluated until you have completed the secondary.

The character limit for each prompt is 2500 characters (including spaces).

Prompt 1: Please discuss one of the following:

- o a challenging situation or obstacle you have faced in the past
- o any academic road bumps in your academic career (low academic performance, failing courses, dropping/retaking of courses)

Why was it challenging? How did you handle it? Knowing what you know now, would you do anything differently? What did you learn?

Prompt 2: Describe a time or situation where you have been unsuccessful or failed. What did you learn from this experience and how have you applied this learning to your work and/or life?

Prompt 3: What would you like to contribute and be remembered for in medicine/science?

Prompt 4: Why would our MD/PhD program be a good fit for your career goals?
