

Quantitative Sciences Program Virtual Travel Award Application

GUIDELINES & ELIGIBILITY

Quantitative Sciences Virtual Travel Awards are available for up to \$200 each for students virtually presenting results at a national or international meeting, or attending a virtual course. Each student can only receive one virtual award per academic year. All applications will be reviewed and decided as they are received on a first come, first-serve basis.

PURPOSE

The purpose of the Quantitative Sciences Virtual Travel Award is to help defray your registration expenses to attend a virtual meeting or course. The name of your advisor's administrative assistant is requested so that they can be notified to apply the award toward your registration expenses.

INSTRUCTIONS

Please submit these items via email in a single PDF to Amy Carter: amy.e.carter@uth.tmc.edu

- This completed form signed by you and your advisor.
- Copy of your meeting registration form or course registration form.
- Copy of your abstract and abstract acceptance, if presenting at a meeting. If you have not received your abstract acceptance, or course acceptance, please list an approximate acceptance date below. The award will be contingent upon such acceptance.
